- Report Attached

SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Normal Operations	Normal Operations	Normal Operations	Normal Operations

Cal OES INLAND REGION

- See weather slides.

February Winter Storms

- The Cal OES Inland Region Duty Officer is monitoring and in contact with all Operational Areas (OAs).

Activations

- El Dorado County Emergency Operations Center (EOC) [has Deactivated](#).
- Madera County EOC [has Deactivated](#).

Warming Shelters

- Madera County:
 - Sierra Vista Presbyterian Church, 39696 CA-41, Oakhurst – [Closed](#)

Cal OES COASTAL REGION

- See weather slides.

February Winter Storms

- The Cal OES Coastal Region Duty Officer is monitoring and in contact with all OAs.
- Marin Health and Human Services (HHS) activated the Marin County Severe Emergency Plan.

Natural Gas Fire, San Francisco, San Francisco County

On 02/06/19 at 1330 hours, the California State Warning Center was alerted to several social media hits on a natural gas explosion at the intersection of Geary Blvd. and Parker Ave. in San Francisco. A contractor using an excavator broke a two inch service line, which resulted in a fire.

SITUATION SUMMARY

Cal OES COASTAL REGION (Continued)

Natural Gas Fire, San Francisco, San Francisco County (Continued)

Per Cal OES Duty Officers as of 02/06/19, 1927 hours:

- The fire is controlled.
- Gas has been shut off.
- 5 structures were involved
 - 1 structure sustained heavy fire damage.
 - 4 structures sustained smoke and water damage.
- All parts and repair teams are on scene.
 - Estimated time of repair is between 1900-2300 hours on 02/07/19.

Evacuations

- All evacuations have been lifted.

Road Closures

- Eastbound Geary Blvd. is open to the public.
- Westbound Geary Blvd. rerouted around the block.

Shelters

- St. Mary's Cathedral, 1111 Gough St. (Gough St. and Geary Blvd.), San Francisco – Closed

Critical Infrastructure

- All electric customers have been restored.
- 200 customers are without gas.
 - Restoring gas customers slowly as each line needs to be purged and relight the appliances.

Health

- N-95 respirators are available for the public at the evacuation/reunification center.

SITUATION SUMMARY

Cal OES SOUTHERN REGION

- See weather slides.

Swarm of Earthquake Events, 12 Km West of Ludlow, San Bernardino County

At 0024 hours on 02/07/19, a swarm event occurred with the start of a 3.2 magnitude earthquake followed by several other events including a 3.5 magnitude at 0814 hours and a 4.0 magnitude at 0844 hours.

- There have been approximately 24 seismic events since the start.
- The USGS Southern California Seismic Duty Officer and California Geological Survey has been contacted for additional information.
- This area is not of concern at this time.
 - More information will be gathered for any increase in risk and will be shared as needed.
- Cal OES Earthquake and Tsunami Duty Officer will continue to monitor the situation.

Severe Weather, Town of Mammoth Lakes, Mono County

Snow accumulations have presented life safety issues, particularly at the hospital.

- Crews on scene to work on snow removal through 02/06/19.
- The hospital is working with local resources for snow removal.

Proclamation

- The Town of Yucca Valley in San Bernardino County submitted an Emergency Resolution due to the extreme weather conditions which caused excessive and extensive damage to property and public facilities. No requests have been made at this time.
- The Town of Mammoth Lakes issued an Emergency Proclamation due to the accumulation of snow over short period of time and continued severe weather warnings, causing an emergency situation at the local hospital. The town is requesting state assistance with snow clearance.

Shelters

- Santa Barbara County activated their winter warming shelters.

Missions

- See Cal OES Mission Tasking slide.

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Friday night will see an increase in precipitation.
- Snow levels will be fairly low so snowfall will impact the Coastal Range and Foothills.
- A cold storm system will impact the region this weekend.
 - Snow-levels are forecast to fall to 1,000-2,000 feet by Sunday.
 - Hazardous travel conditions will be possible across the mountains due to snow.
 - Small hail may also occur along the coast resulting in dangerous driving conditions.
- Winter storm Warning have been issued for Friday evening into Monday morning.

SOUTHERN CALIFORNIA

- Potential for hazardous driving from icy and wintry conditions across the Interstate 5 Corridor to the Grapevine Friday night through Saturday
- More significant precipitation is possible the latter half of next week with a large spread in the details.

WEATHER KEY POINTS

02/07/19 - 02/13/19

Thursday

- Below normal temperatures will continue across much of the state today.
- Frost and Freeze impacts possible with impacts to agriculture interests in the Central Valley, and inland valleys in Coastal Central and Northern CA this morning.

Friday-Tuesday

- A couple of storms system will once again impact the state starting Friday and continue into early next week
 - Valley rain and mountain snow will return. Snow levels will lower to 1500 feet.
 - A couple of cold weather systems are forecast to bring significant snowfall to the Sierras Nevada mountains over the Weekend and to many foothill locations.
 - Breezy or windy conditions will return as well for White-out conditions at times especially Saturday night and early Sunday

Wednesday

- A more significant weather system moving onshore.
 - Potential for debris scar issues with this system across the state.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-57484, 02/05/19, 2045 hours:** The Air Force Rescue Coordination Center (AFRCC) notified the California State Warning Center of an ALNOT in the area of Riverside and San Bernardino Counties, near their respective boundaries at 29 Palms and Hwy. 62. AFRCC provided the following coordinates: 34.01.54.47N / -116.35.33.09W. The Cal OES Law Enforcement Branch (LEB) made contact with Riverside and San Bernardino Sheriff Offices to request search efforts. At approximately 2200 hours, Riverside County Sheriff's Office helicopter located a plane at this location, presumed crashed, but was unable to access and confirm the plane's identity or passenger conditions due to inclement weather and rough terrain. Riverside County Sheriff and San Bernardino County Sheriff were coordinating search efforts, possibly on foot as the presumed crash site was approximately ¼ mile into Riverside County. At 0200 hours, Riverside County Sheriff advised the Cal OES Law Duty Officer that ground teams had made it to the location and confirmed the wreckage as well as a solo deceased pilot. Recovery efforts will resume at daybreak. **Mission Ongoing.**
- **2019-LAW-57349, 01/30/19, 1000 hours:** Humboldt County Sheriff's Department (HCSD) is requesting resources to locate the remains of a cold case homicide victim. HCSD is requesting 3 Human Remains Detection (HRD) Search Dog teams. Cal OES LEB is coordinating the search dog response. This search will take place on Wednesday, 02/06/19 at 0800 hours. **Mission Ongoing.**

Cal OES MISSIONS TASKINGS

Cal OES Missions

- **2019-Southern-57471:** Daily Operations - Mono County is requesting 1 California Conservation Corp (CCC) crew (Tahoe Center) to assist with critical snow removal operations in Mammoth Lakes. (Coordinating)
- **2019-Southern-57469:** Daily Operations - Mono County is requesting 2 CDCR hand crews from Owens Valley Conservation Camp #26 with 2 CAL FIRE Captains to assist with critical snow removal operations in Mammoth Lakes. (On Scene)
- **2019-Southern-57447:** Daily Operations - Mono County is requesting 2 CDCR hand crews from Owens Valley Conservation Camp #26 with 2 CAL FIRE Captains to assist with critical snow removal operations in Mammoth Lakes. (On Scene)
- **2019-SREOC-57441:** Daily Operations - Riverside County is requesting 2 "MUCKERS", 4 operators, and 1 supervisor from Caltrans to assist with excavating under road culverts properly prior to the next rain event. (On Scene)
- **2018-SOUTHERN-56869:** Daily Operations - Communication Support for the Baker to Vegas Challenge Cup Relay XXXIV
- **2018-IREOC-49869:** 2018 July Statewide Wildfires - Debris Management Task Force for Shasta County. (On Scene)
- **2018-CREOC-48046:** 2018-06-23-Lake-Wildland Fire - DTSC to clear debris from Pawnee Fire. (Coordinating)
- **2018-IREOC-45244:** Daily Operations - Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene - Long-term assignment)
- **2017-INLAND-42559:** Daily Operations - Weather station installed to gather real time rainfall data by Air Resources Control Board (ARB). Mission extended through 05/30/19. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
